In God's Big Story

God created a good world. Most special of all, He made humans in His image, but sin kept people from living as God made them. But Jesus changes everything. Through Him, we are invited into God's family!

Wonder Truth: God Invites Us into His Family

FAMILY CONVERSATIONS

Families, use this to prompt conversations at the table, in the car, and anywhere else your family experiences life together.

- What are some things that make our family special?
- What are some things that make God's family special?
- How can we be part of God's family?
- What are some good things we (parents) want for you (kids)?
- What are some good things God wants for us?

CREATE IT!

Great for Older Kids!

Mirror Drawing

Gather some paper, a pencil, and a hand mirror. Decide on a simple design to draw (tree, flower, star, smiley face, etc.). Challenge each family member to do their best to draw the chosen design using only the mirror. Place the paper flat on the table and prop the mirror at a 90-degree angle on the far side of the paper. Each person can then take turns looking into the mirror to see the paper, attempting to draw the design through the reflection.

Once everyone has completed a drawing, compare each person's result (hopefully with lots of giggles and smiles!). Discuss as a family: **Was it easy or difficult to draw using the mirror? God created us to reflect—or point to—Him. We aren't perfect, like our drawings aren't perfect copies of the thing we were trying to draw. But we can point back to our Creator. And God loves us so much! He wants us to be part of His family!**

WALK IT ACT IT MOVE IT

Great for Younger Kids!

Hide and Gather

Gather some doll-house dolls, action figures, or other small plastic figures and put them on the kitchen table. You'll want about 10 (or more if you have a larger family). **We're going to play a game like Hide and Seek with these characters! Close your eyes while I hide them. Then we'll go find them and gather them back to the table!** When hiding the figures, make sure one part is visible.

Play a few rounds, giving kids a chance to be the one hiding the figures. Consider adding a time limit to increase the fun! After playing the game, gather around the kitchen table one last time and say: **God created us to be part of His family, to point back to Him. Sin—the wrong things we do—makes us forget we're made to be God's kids. Sin makes us want to hide, kind of like these figures. But God sent Jesus to earth to break sin's power over us. Jesus gathers us back to God, reminding us God invites us all to be part of His family!**
